

NSRA Smallbore Rifle 50m Open Competition 18 October 2015 at Bull Meadow "B" Range

NOTE: The number of competitors was very small due to fact that Hwy 354 was blocked in Beavercreek as result of a car crash which had occurred the previous night and most prospective competitors did not take the 30 km detour required to get to Bull Meadow. The end result - four competitors and two match organizers showed up at the range. Approx. 10 competitors were expected.

Results (HPS 600 all matches)
